

The village has 6 commissions made up of citizen volunteers.

The commissioners are appointed to two year terms by the Mayor and Board of Trustees.

The mission of the commissions is to enrich the experience of living in the Village of Bolingbrook.

The Bolingbrook Arts Council actively seeks to enhance local artistic and cultural aesthetics that showcases the diversity of Bolingbrook residents through community engagement. The BAC community events are committed to the inclusivity of visual, performing, and graphic arts as well as, film, writing, music and other creative fields.

The Beautification Commission was created to develop strategies to preserve and protect the heritage and integrity of existing neighborhoods. To do this, Commissioners focus on curb appeal to maintain and enhance the visual integrity of local neighborhoods. Commission members believe it "Takes the efforts of a Village" to build pride - from the inside.

The Civic and Cultural Affairs Commission maintains responsibility for a wide range of sponsored activities that promote Bolingbrook's civic and cultural environment. Commissioners ensure the operational aspects of community events foster greater awareness and appreciation for life between the boundaries of Bolingbrook.

History is alive and well here! It is our intent to continue to collect and maintain a comprehensive database on Bolingbrook's people, places, structures and events. We work to insure the preservation of historic buildings, document, memorabilia and landmarks in order to make this information available to all residents.

The Information Technology Commission facilitates the effective use and application of technology in our community through programs and services provided to village government, residents and organizations within the boundaries of the Village of Bolingbrook.

The Bolingbrook Community Television Commission provides programming that informs, entertains and preserves the spirit and character of Bolingbrook through Village Board meetings, School Board meetings, Plan Commission meetings, free concerts, sports programs, talks shows, religious services, documentaries and specials that highlight what makes the Village unique.
